

**Elaine Johnson, Managing Director**

Elaine Johnson is responsible for oversight of credit underwriting and portfolio risk monitoring at Peaceable Street Capital. Ms. Johnson has over 25 years of institutional commercial real estate underwriting and portfolio management experience including due diligence, risk underwriting, distressed investment workouts and transaction oversight across all asset classes throughout the U.S.

Prior to joining Peaceable Street Capital, Ms. Johnson most recently served as a Managing Director at RAIT Financial Trust with responsibility for underwriting bridge and CMBS loan transactions. Ms. Johnson was previously employed in various debt and equity commercial real estate underwriting and asset management roles with both Kimco Realty Corporation and GE Capital Real Estate.

Ms. Johnson holds a Master of Business Administration with a concentration in Finance from Temple University's Fox School of Business and a Bachelor's Degree in Finance from Indiana University of Pennsylvania.
